Copy 4 of 5

3 September 1957

MEMORANDUM FOR: Acting Project Director

SUBJECT : Recommendations for Increasing Security of
Data Handling Procedures in the Far East

REFERENCE :  28 August 1957

1. I concur with  recommendations. I have
consulted with  to insure that they have no
objection and concur as to their interests. He does concur.

2. I recommend that if  is directed to accomplish
this mission that he be also requested to make a physical survey and
report on the  This may be useful in giving Head-
quarters a better picture than it has to date of the facilities in the event
that the decision is made to use
